

Ways for Farmers Can Use the Farm to ECE Connections Map

1. Review the **Frequently Ordered Food Graphs** located in the "**Farmer Resources**" tab, and consider cultivating commonly ordered foods in the upcoming growing season.
2. Reach out to childcare sites in your service area by selecting the county or counties you serve and taking the following actions where applicable:
 - a. **Send email postcards or mailers to promote your farm and products.**
 - b. **Extend invitations to those interested in arranging field trips to your farm.**
 - c. **Volunteer to participate in educational events.**
 - d. **Provide produce boxes to families affiliated with childcare sites.**
 - e. **Offer CSA boxes to the childcare sites.**
3. Utilize this map to expand your customer base in similar areas and **offer delivery days based on location.**
